

## The Alleged Chinese Spy Who Seduced Politicians

The Joe Rogan experience I heard Benedict Donald like it was really like another guy who was like Shane knows about what happened with Benedict Arnold I just know he's a trader He rushed out of West Point while George was there George Hamilton they all chased out I'm sure I'm sure there was something there but it may be his family that wrote that you know it was like him and his wife went to he go to the he was a hero He was a hero He was the captain of the Ford at West Point And uh yeah slipped out He said that was the only time they saw George Washington crying when maybe it was because he was with his wife She was like you gotta get out of here baby snuck out in the middle of the night like a bitch dude And then where you go just straight to the Brits he would there was ships out in the harbor He just went out and joined the British He snowed and said here's how you take the fort or whatever who we told him everything he had to get in That's the way he got in is his wife British I'm not sure Probably dirty bitch bitch hot Russian broads come over here and and trick CIA guys trick our fucking beautiful President Donald Trump They trick them all They trick was dust by if you're a fucking guy in the government and you meet a hot Russian lady like God damn it I'm fucked It's like meeting a shark when you're in the ocean I just I just look good Just a ball Nothing weird about this She just plays violin and shes strange She like me and I'm disgusted He was the politician that was fucking the Chinese spy So it's the worst thing It's so funny Hey you know that chicken fucking oh please don't tell me My wife found out I was like no way worse worse She's a Chinese spies and you opened up I'm just thinking about being like oh fuck my wife does not know though suspected Chinese pop spy reportedly slept with courted us officials to gain intel How many officials More than one She's banging a bunch of guys She's really just a glorified prostitute Fang Fang Fang Fang No her name is Fang It is Fang Fang A K A Christina Fang entered the US through California as a college student in 2011 spent the next four years wooing everyone from local politicals to us Congressmen among the polls Pat Fang got close to his California democrat Eric Staal Swalwell Uh and she once also once helped raise funds for Tulsi Gabbard Uh oh she was helped along the way you think I don't think so She was like throw it out there to test the water and like dude your chick he's like fucking Fang Fang Fang Fang No no no no no no no She had sex with an Ohio mayor in a car An incident caught on FBI electronic surveillance which is that's her right there Kiss kiss

fangs I'll be honest that's probably how you get by by being regular regular  
What a stupid fucking spy to just fuck a mayor in Ohio We got a lot of  
information out of this guy He's the mayor of fucking Cleveland knows that  
the FBI is gonna be in town because of this She's setting back Morse code  
like the rock and roll Hall of Fame is expanding but the name to the  
Guardian is winning But also she's a human being and even though she's  
working as a spy maybe she just wanted to fuck the mayor in a car Human  
being She's Asian unrelated You're saying she was like I'm trying a bigger  
thing but this guy's cool like it can't be all of her sex Can't be for Intel I don't  
know That's hot Intel Puss Another US mayor described as older and from  
obscure city in Midwest called Fang his girlfriend at a conference in  
Washington DC in 2014 0 damn bang sucking The mayor of the mayor  
insisted the pair's relationship was the real deal despite their age differences  
Oh she's fucking old guys Work for a guy Can't be a spy that fucks all the  
she allegedly worked working at the direction of Chinese ultra secret  
ministry of state security spy agency Hm Interesting God Where is she now  
in jail I don't know where she got traded for Brittney Griner
